Ashleigh Thompson - Society for Disability Studies

June 2009

To say that the Hilton staff exceeded our expectations would be too simple.....Thank you so much for a tremendous conference experience, and for raising the bar for any hotel with whom we will ever host a conference. The work ethic and culture you've fostered at the El Conquistador is remarkable: no staff ever said no to us, at any hour of the day, and I have a new appreciation for the hospitality industry. Hilton's openness to accommodate disability-related issues struck me especially.

Lisa and Tony D'Angelo - D'Angelo Wedding

October 2009

I can't begin to thank you and your staff enough for delivering what my guests are calling a "wedding extravaganza" at the Hilton El Conquistador. The hospitality of the Hilton was over and above anything expected. All of our guests raved about the food, both restaurants and reception, and the excellent service throughout the hotel.

John G. Ford - Arizona League of Cities and Towns (Southwest Ambulance)

September 2009

We have done this event for over 12 years and the service level my team and I received this year... was above and beyond anything I have had in our past events. They were professional, prompt and met every need I brought forward.

Ron Craver, Director - GyruS ACMI - Power through integration – Olympus

....With 450 participants and a budget of well over one million dollars, it was critical to my professional well-being that this event goes off without a hitch. Thanks to the tireless efforts of the entire support staff at the Hilton El Conquistador, my career is quite secure. THANK YOU!

Tressa Patrias, Continuing Education Manager – American Society of Brewing Chemists

June 2009

Our staff has returned from Tucson singing the praise of the Hilton El Conquistador. The ASBC Annual Meeting was a success thanks in part to the outstanding service we received at your property. There are definitely some unique requirements that come with hosting our event. The people at the Hilton El Conquistador went above and beyond to insure that our meeting ran smoothly.

Betty Seeger - Smart Meetings Magazine

Betty Seeger, a meeting manager with American Express/SC Johnson, plans events often at the Hilton El Conquistador. "We love the property," she says. "The staff is great to work with. They'll accommodate any request we have, and if they are unable to, they let us know right away."

Johnson & Johnson

The staff was spot-on and very accommodating to our constantly changing needs. We will certainly be back and will recommend to other J&J companies in the future."
